

HALF-TIME FC

Coach & Assistant Guide

Everything for training and matchday. Run the game from the app; manage your squad and people on the web.

AT A GLANCE

Where each job lives

You can run the whole of matchday from your phone. Club setup, your squad and people live on the web. Here's the split for your role.

In the app (iPhone / iPad)

- Run matchday live — clock, goals, subs, awards & report
- Build the fair-play plan & projected minutes
- Import fixtures & add match-day details
- Generate & save training sessions
- Season & player stats (staff-only minutes)
- View availability responses

On the web only

- Add & edit players in your squad
- Invite guardians (and coaches*)
- Availability grid & send reminders
- Approve parents' 'My Child' change requests
- Safeguarding & consents*
- Review incoming transfers

Web app: app.half-time-fc.com · iOS: App Store · Android: in beta — email support@half-time-fc.com

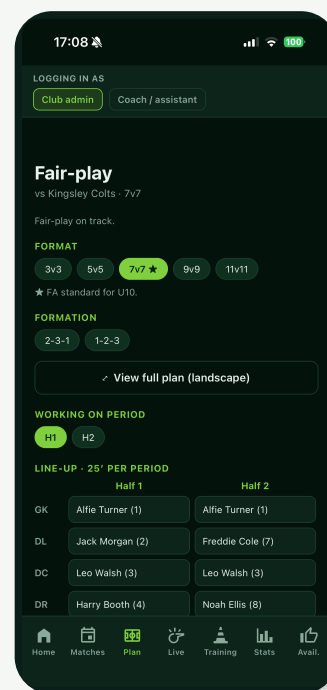

Run matchday from your phone

1 Fair-play plan

IN THE APP

Pick the format and how many segments, choose a formation, then assign a player to each position per segment.

- Projected minutes update live so game-time stays fair.
- Rename position labels (RW, CM, CB) to suit your team.
- Create a public opposition page with kick-off, venue & kit.

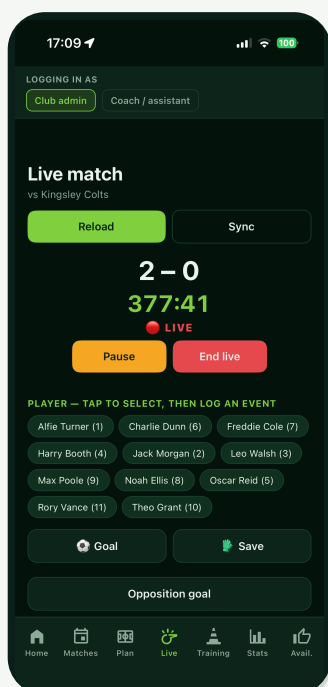

2 Run the match live

IN THE APP

Start the clock, tap a player, then log the event. Everything works offline and syncs when you're back on signal.

- Goals, assists, saves and cards; opposition goals too.
- Sub prompts based on your plan; correct any event after.
- Record match awards and write the report, then publish.

IN THE APP

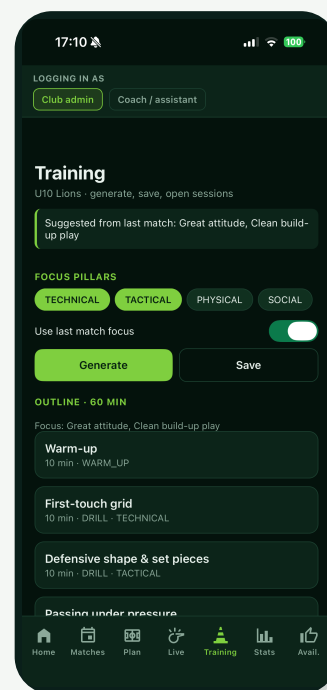

Run matchday from your phone

3 Training sessions

IN THE APP

Set the session length and generate a full outline — warm-up, drills, small-sided game and cool-down.

- Every block is editable; save to reuse.
- 'Work on...' notes from your last match carry forward.

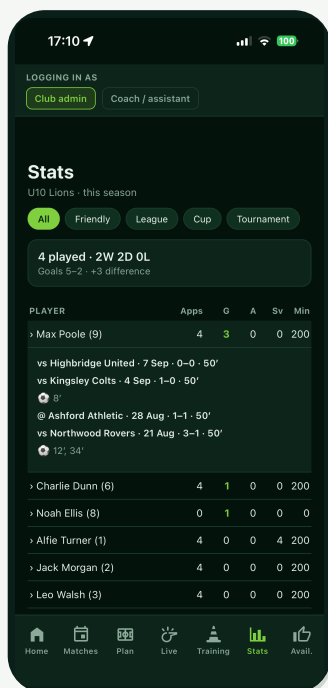

4 Stats & minutes

IN THE APP

See the season at a glance and each player's record — appearances, goals, assists, saves and planned minutes.

- Planned minutes split into goalkeeper and outfield.
- Minutes are visible to coaching staff only.
- Filter by league, cup, friendly or tournament.

ON THE WEB

Your squad & people

These are done in the web app at app.half-time-fc.com. Club, teams and sponsors are set by your club admin.

WEB

Squad

Add and edit the players in your team and their shirt numbers. (Deleting a player is coach-only.)

WEB

Invite guardians

Send a guardian an invite so they can register their child and confirm availability. Coaches can also invite other coaches.

WEB

Availability grid & nudges

See who's available for a fixture across the whole squad and send a reminder to anyone who hasn't replied.

WEB

Approve change requests

When a parent proposes an edit on 'My Child' (e.g. a medical update), you review and approve it before it applies.

WEB

Safeguarding & consents

View consents; coaches manage safeguarding settings and the welfare contact.

WEB

Transfers

Review and accept a player transferring into your team.

ASSISTANT COACHES

Assistant coaches can do everything in this guide except: delete players, change safeguarding settings, or invite other coaches. Everything else — planning, live match, training, stats, reports and availability — is the same.
